

**HELPING
THOSE IN
NEED IN OUR
COMMUNITY**

1. TurningWheels for Kids' Holiday Bike Build

TurningWheels for Kids hosted their annual Holiday Bike Build in January 2024 (delayed from Dec 2023) at the Santa Clara County Fairgrounds Pavilion. The event aimed to assemble and distribute 500 bikes to children in the community. NARI members and their families were encouraged to participate by volunteering to build bikes.

turningwheelsforkids.org.

2. Great Cycle Challenge USA

The Great Cycle Challenge USA is a national fundraising initiative held throughout September to support the Children's Cancer Research Fund. Participants set personal cycling goals and rode to raise funds for childhood cancer research. The event is open to individuals of all ages and fitness levels across the country. **Our chapter raised \$11,558.00!!**

greatcyclechallenge.com

3. Marine Toys for Tots Program

The Marine Toys for Tots program collects new, unwrapped toys during October, November, and December each year. Members offer their office or showrooms to collect the toys. These toys are distributed to economically disadvantaged children in our area to deliver hope and joy during the holiday season. The program at large has distributed over 677 million toys to 301 million deserving children to date.

These events exemplify our community efforts to support and uplift local children in need, providing them with joy, hope, and opportunities for a brighter future.
