How the Process Works

- 1 Contractor signs-up in 2 minutes and follows Acorn Finance set-up instructions
- 2 Contractor sends customer to their website banner to apply online
- 3 Customer clicks link and fills out application to check for financing offers
- 4 Customer sees lender(s) pre-qualified offers returned online in 10 seconds
- 5 Customer finalizes loan with lender of choice and receives funds in 1-2 days
- 6 Contractor gets email notification of customer's funded loan status
- 7 Project proceeds as normal based on terms set by contractor
