**Celebrating
Austin NARI
chapter's
remarkable
achievements
for 2024**

A journey of **dedication and success**

My name is Dolores Davis. I am the Owner and GM of CG&S Design Build in Austin Texas. I have been a member of NARI for over 20 years and an active member in Austin NARI serving on every committee, including the board and President positions. My passion is Workforce Development. In 2017-2018 myself and several other members actively pursued creating the Austin NARI Workforce Development Committee which transitioned into the Austin NARI Workforce Development Foundation. We began working with a local independent school district in creating programs that partnered our members with teachers and students to bring the in school learning of the trades to real life experiences. The Austin NARI Chapter was and continues to be instrumental in supporting our cause. Our members volunteer and donate money as sponsors and donors. Our mission is to bring awareness to students that a career in the trades is a rewarding career path where you can earn an excellent income, learn and grow, and be able to take care of yourself and your family.

Our programs include a Guest Speaker, Summer Internship, Scholarship and Grant programs. We are developing a WFDF Video and Marketing plan to spread the word. Our plan is to be able to duplicate these programs so that other National NARI chapters in different communities can utilize these programs. As well, we have raised over \$75K and are developing our Sponsor and Donor Program to further our cause.

Therefore, I nominate the Austin NARI Chapter for the Chapter Excellence Award. I would like to recognize David Davison, Steve Anthony, Bob Bowne, and Kayvon Heath, Austin NARI Executive Director for their consistent and persistent effort in building and growing this program.

Thank you,

Dolores Davis

PROJECT #3 Austin NARI & Partnerships for Children

Many children in Central Texas who are connected to Child Protective Services never have the special experience of having gifts to open. We are grateful to Partnerships for Children and our members for contributing to happy holiday memories

Last Christmas our amazing Austin NARI members donated over \$5,500 in toys for Partnerships for Children's annual Holiday Wishes drive
